The following list includes standard charges (not payments) for procedures performed at Oklahoma Surgical Hospital. This list is NOT reflective of what you will owe. Your responsibility will depend on your individual benefits, negotiated rates of your insurance and your actual length of stay (LOS). What your insurance company will pay for your procedure will generally be much less than the prices listed. If you have questions, you may call the Oklahoma Surgical Hospital Business Office at 918-477-5012. They will be able to assist you with any questions you have regarding your services.
